The diagram shows a table with six columns. Above the table, seven numbers (3502, 3504, 3506, 3508, 3510, 3512, 3514) are listed, each with a curved arrow pointing to a specific column in the table. The columns are labeled as follows: IC chip number, User information, Information to check soundness, Content of service, Status of use, and Term of validity.

IC chip number	User information	Information to check soundness	Content of service	Status of use	Term of validity
